2021 - ongoing

University of Bologna

Master Degree in *Digital Humanities and Digital Knowledge*, soon to graduate (March 2023)

skills

Data management, visualization and analysis

Web Design

Digital Editing and Content Creation

work experience

Job position

Published Writer - 2020

I published my book with BookaBook - Casa Editrice in Crowdfunding after an intense yet stimulating online campaign.

This experience allowed me to learn about the mechanisms and challenges of the Italian editorial industry; moreover, managing the digital crowdfunding for my book offered me meaningful insights about social media and content creation.

Job position

Writer and editor - 2022

I've written articles alongside the other journalists of MontenapoDaily.com for more than a year now, a side-job that helped me deepen my research and communication skills
